Environmental Policy Statement

Our Commitment to the Environment

Schindler UK & Ireland Group Companies undertake the design, procurement, installation, final inspection & testing, maintenance, repair & modernisation of all types of lifts, escalators & moving walks.

We will continually improve business processes and operational performance through the Integrated Management System (IMS) to reduce our environmental impact and improve energy efficiency.

Business Objectives are defined annually by Schindler Group and form Schindler UK & Ireland Group Company Objectives. Environmental aspects and impacts resulting from our activities will be considered and objectives and targets defined in support of our sustainability and Net Zero goals.

We will comply with all applicable legal requirements and any other requirements identified in relation to our business environmental aspects.

We commit to consult with stakeholders on environmental issues and regularly report environmental performance through the annual Corporate Responsibility Report.

This policy will be communicated to all internal employees via our IMS, our Customers and any other interested parties and reviewed on an annual basis by the Leadership Team.
